Dear Friends,

The political upheavals caused as a result of the June referendum are still reverberating around Westminster as I write this month's letter. A new leader of the conservative party has just been elected; the Labour party is in turmoil. Our politicians may be glad of the upcoming summer recess which spans the whole of August as well as a week or so on either side. Perhaps it will give them some respite from this cocktail of political and economic discord. Perhaps it will provide an opportunity to reflect and return in the autumn with greater insight and wisdom.

Political turmoil in some countries leads to far worse than we are currently experiencing in the United Kingdom. We are fortunate to have a stable political base, and the freedom to express our personal views and opinions without fear or favour. Stability brings peace and prosperity, but when I reflect on these privileges, I also fear that we have become complacent in our attitudes towards those who are not like us. Many have described the outcome of the referendum as a protest vote – but who is protesting about what? Have we become blind to the needs of others, living in bubbles of our own making which exclude others and make them feel like outcasts? Have we fallen into our own cosy, comfortable world where the plight of others, less fortunate than ourselves, is ignored? Is it possible that the outcome of the referendum was the result of the marginalised and the excluded feeling so helpless that they chose to respond in the only way available to them? Perhaps some chose to use their vote to remove those who hold political power and hope that a fresh start will produce a better society?

As I move around our six parishes, I see many acts of kindness and many gestures of goodwill towards each other as you live side by side in community. These are the examples which inspire me to recognise that God is present in our communities. With the knowledge that God is indeed among us, can we pluck up courage to challenge ourselves about the way we live? Christians try to live by the code which Jesus taught, that we 'love one another as I have loved you'. Jesus' acts of kindness were sacrificial and loving – not always dressed up in soft fluffy words and sometimes tough and questioning. Are there some tough questions we should be asking ourselves? Looking outside our own comfortable little bubbles means looking beyond our soft and fluffy cocoons, beyond the traditional and the conventional: it means taking note and taking action to help those who are often outsiders or targets for discrimination; the unloved and unnoticed in our communities. As the dust settles on this episode in our country's history will we, the people of this nation, have the good sense and wisdom to learn from this unique experience in our lives?

With love and blessings.

Have a great time!

It was back in 1996 when a group of enthusiasts based in Willersey decided to form a new U3A covering the North Cotswolds. From that tentative start with just a few members, the organisation now has over thirty groups and around four hundred members and has proved to be very successful, with many members residing in and around Willersey and Broadway.

What is a U3A? The full title is University of the Third Age and is open to all people no longer in full time employment, or no longer raising a family, and is a self-educational and social body with members instructing and guiding other members in subjects such as opera appreciation, earth sciences, French, Italian, history, engineering and transport, art appreciation, singing, cooking, gardening, making greetings cards, sewing, painting and photography. Members can learn to play the recorder or ukulele; there is a reading group; scrabble and mah-jong are eagerly pursued. For the more active type there are walking groups, there is a skittles group, a table tennis group, a touch tennis group, a golf croquet group and a Scottish country dancing group. On the purely social side there is a Sunday lunch group and a theatre group which attends performances all over the area.

We have been building up to this healthy state of affairs for twenty years and in order to showcase our achievements the North Cotswold U3A is holding an Open Day at Willersey Village Hall on Saturday September the 10th (admission FREE!!) from 10.00 a.m. until late afternoon, where the various groups will demonstrate their activities to anyone enlightened enough to attend. Refreshments (not free!) will be available all day and the lucky visitor may hear the singers sing, the ukuleles strum and the recorders warble.

So, why not come along? Parking is plentiful and we're not known as "The Friendly U3A" for nothing. And you never know, you may be so impressed that you wish to join us!

Keith Horden

North Cotswold U3A (NC U3A) Chairman

Still Small Voice of Calm

A still small voice of calm is a very much needed voice at the moment. This was our theme for the July Family Service taken by Canon Harvey. In this service we thought about our noisy world and how important it is to try and find a calm, quiet space to think. We had quiet and noisy items “in the bag” to think about the differences. Thank you to William and Poppy for taking part and to the congregation. Thank you to Judy for reading the lesson and to Pat for the prayers. Our refreshments and chat time was a chance for catching up. It would be lovely to see more of you in the Church at these Family Services. They are very relaxed. You can take part or just sit and enjoy. Our next family service is on Sunday August 21st at 11o'clock.

Mini Roundabout works

In August Traffic calming works will take place on the traffic island in Willersey between the 14th & 21st August 2016. There will be a “rolling” closure on each of the four roads affected. Diversion routes will be signed where necessary. Gloucestershire Amey will be raising the centre of the mini-roundabout to increase the height of the disc dome. If you require any further information, please contact 08000 514514.

Gloucestershire Flood Risk Manager re Campden Lane

At the last PC meeting Mr Peter Siret a manager from Gloucestershire County Council spoke about the possibility of installing a new Trash Screen on Campden Lane. This will help in the flood defences down the lane and in the village. However, they are not able to maintain the screen, by way of cleaning it out regularly, so the PC is calling for volunteers to get in touch so when the new screen is installed, a rota similar to the mowing rota for the Green can be organised to keep the trash screen clear. Please call 01386 853635 for more information.

Willersey Pond

The pond continues to be cared for by members of the Parish Council and other helpful volunteers – for which thank you for your help. In order to cut down the spread of blanket weed ,different plants have been placed in the pond to restore a balance in the water and prevent the weed from growing so quickly. There are now a breeding pair of moorhens on the pond and they have four chicks. Many thanks to those who have been watching out for them and scaring away the predatory birds!

OPEN GARDENS DAY

A big “thank you” to everyone who opened their gardens on Saturday 27th June and to everyone who visited the gardens on the day. £350 was raised on the afternoon.

The Horticultural Society Committee have decided to donate :-
£175 to the Cotswold Wardens
£175 to Dogs for Hearing

Once again --thank you for your support.

We're joining together to celebrate!

The Methodists and St Peter's invite you to join us for

HARVEST THANKSGIVING

on Sunday 18th September at the Methodist Church – 10.30 am
The Service will be taken by our new Methodist Circuit (Area) Minister, Revd Dr Israel. He arrives from India in August and has a grown up family living in England and lived in England himself for some years. Revd Dr Israel does have a family name, but unfortunately, at this stage, I cannot pronounce it, let alone spell it!

It'll be an informal service with a bring your own picnic, or a shared picnic lunch, if you wish. We will join together afterwards and eat in the garden. The croquet mallets and balls will be out if you want to have a go and we hope for a lovely day so that we can relax together. More details next month.

We Methodists will have reason to celebrate even more than the harvest. We anticipate having our roof repaired before the winter! We are delighted. Thank you for supporting us in our efforts.

Helping communities to help themselves and helping drivers to respect communities.

As you drive through Gloucestershire's communities, please remember a little care goes a long way. By following the speed limit and driving with care and consideration when sharing the roads with particularly motorcyclists and cyclists you can make a real difference.

Community Speed Watch

During the past 5 years, over 200 Gloucestershire community groups have made use of our hand held radar speed detection guns. Vehicles exceeding the speed limit are referred to the Police with the aim of educating drivers to reduce their speeds. Inappropriate speed of traffic is a real concern of many people living in the county, and we are always pleased to help and advise community groups about the best ways of getting the message across – to their own community.

Some groups carry out their own speed survey, some write letters to businesses who are noted as regular speeders, some use wheelie bin stickers and/or signs to remind drivers of the designated speed limits, and some write to every household in the area outlining the issues and risks. Community-focused campaigns work really well, and if we can help you to help yourself, then we are helping to spread the road safety messages within the communities of the county. For support and more information email

community.speedwatch@gloucestershire.pnn.police.uk.

Community Speedwatch is a locally driven initiative where active members of the community join together with the support of the Police to monitor speeds of vehicles using radar speed detection guns.

Volunteers receive appropriate training, and are supported by neighbourhood policing team staff. The scheme aims to cater for the problem of real or perceived speed related offending, and through partnership with the community it is to be used in circumstances that are necessary, justifiable and proportionate in order to:

- Reduce death and injury on the roads
- Improve the quality of life for local communities
- Reduce the speed of vehicles to the speed limit
- Speedwatch activity is not about interfering with neighbours' behaviour; it is a proactive solution to improve the safety and quality of life for everyone in the community.

If this is of interest to you please contact Willersey Parish Council.

This was not a recruitment drive but an opportunity to let people see an aspect of village life that is somewhat hidden away.

However, if any adult is interested in having a follow-up chat about ringing or a longer chance to try out ringing without any obligation then please contact Bob Topp (01386 858635).

Willersey Women's Institute

A brief summary for July as we had our summer trip instead of the usual meeting. This was a visit to the Yellow Hat Tribe art studio near Chipping Norton. This was brilliant and quirky but had nice things to buy too! They also run an ostrich farm so we had an introduction to them. Big eggs make big omelettes!

We then piled into our cars to go cross country to the Lamb Inn in Great Rissington for a super meal and social. Naturally we raised the roof with "Jerusalem", A young couple celebrating their 1st anniversary there said they had it at their wedding in New Zealand which brought back happy memories. Bring it on Gareth Malone! Birthday flowers from Sue C were given to Ann C., Mildred, Ann T, and Glennys. Judy and Emma received theirs later.

No meeting in August as it's our **annual coffee morning**. Any donations for our stalls would be appreciated eg. cakes, produce, toys, books, fancy goods and raffle prizes. Please contact Mal - 858351 or sue 852939 or take to the Village Hall after 9:30 in the morning. Many thanks.

SATURDAY AUGUST 5th

10:30 to 12:00 Willersey Village Hall

£1.00 entry (includes tea/coffee/biscuits).

Look forward to seeing you for a cuppa, chat and a bargain.

From a Grateful Resident

A note to thank the "wellies and waders" volunteers who have been turning up on many occasions to do the grotty job of cleaning out our Village Pond. A few men, women and children have gallantly waded amongst the wee and sludge to get the pond looking better and rid it of the persistent weed. One of the chaps made mk1 and mk2 dredgers which are brilliant. Despite blood, sweat and wader sores, it looks so much better. Well done and Thank You!

Horticultural and Craft Show Raffle.

Donations of Raffle Prizes or offers of help on the day are always appreciated. Please contact Jennie Bond, telephone 01386 853430 or a member of the committee

St Peter's Patronal Flower Festival

Many thanks to all the groups who produced the spectacular floral arrangements in St Peter's Church for the flower festival on the weekend of 25th/26th June. They were very much admired and commented upon by the many visitors, especially while supping their delicious tea!

Gillian, Jenny and Penny

A big thank you to everyone who donated cakes and teas for the Patronal Festival. Thank you also to the helpers who served the teas. It was very much appreciated. Donations raised were in excess of £310 with £61 from cream teas served in Maggie and Bob Topp's garden. Thank you both for this contribution.

Willersey Toddlers

We have been going now for over 20 years and meet in the Village Hall on a Friday mornings from 9.30-11.30. It's for children aged 0-4 i.e. pre-schoolers. Generally it's mums who come along but dads, nannies, grandparents are all welcome to bring their little ones. First week is free then it is £2.50 per family per week which goes towards hire of the hall, insurance, biscuits, and supplies. There are plenty of toys for the toddlers to play with and normally there is playdoh or other craft activities going on. We have a snack time and a sing-song at the end. It's run by the mums but I've been delegated as the contact number if anyone's interested... Sarah 07920556935
